ALICE D. HUMPHREY, Librarian.

The Librarian and the Trustees wish to thank the patrons for their increasing interest in the library, the many suggestions made from time to time that have been helpful in our work, and the generosity of those who have presented the library with books. We also want to publicly express our appreciation for the gift of an electric wall lamp by the Rev. Daniel Gorman and the interest expressed by him in the library in many ways during his lifetime. The increased cost of books and expense of maintenance make it necessary for the town to increase its appropriation somewhat if the library is to be of the greatest service.

The new Children's Room is a much appreciated addition. We solicit gifts and suggestions.
